

Bangladesh sells its stock of optical cables

Overview

KHULNA, Nov 18, 2025 (BSS) - The Bangladesh Cable Industry Limited (BCSL), a state owned profitable enterprise, has planned to export fibre-optic cables to Nepal and some African countries by 2028. It is calculated by deducting preferred stock divided from the net income of the company divided by the number of outstanding shares. Book-to-price ratio is used to compared the company's current market book value with its current price. Our insights help businesses to make data-backed strategic decisions with ongoing market. The Bangladeshi optical fiber and bundle market surged to \$X in 2025, rising by X% against the previous year. This figure reflects the total revenues of producers and importers (excluding logistics costs, retail marketing costs, and retailers' margins, which will be included in the final consumer. Currently, various popular brand including Unicore, Usha Mart, Level One, and Detech offers optical fiber cable at affordable price in BD. The authority concerned has, however, planned to.
