

Fiber Optic Cable Miniature Cable Dispenser

Overview

The Foldable Fiber Optic Cable Dispenser is a heavy-duty, portable solution for FTTH and OSP cable deployment. Featuring a robust metal frame and integrated power supply, it ensures smooth cable unwinding for up to 300m of fiber/coaxial cables. Mini cables are fiber optic cables which, due to their compact design, are ideal for connecting fiber optic cables between the technical control center and the distribution point. These cables from SENTAL are characterized by their high performance and flexibility, making them particularly suitable.
