

Gulf Region Fiber Optic Terminal Box 6-core

Overview

This terminal box terminates up to 12-24 fiber optic cables, offers spaces for splitters and up to 12-24 fusions, allocates 6 x SC Duplex adapters or 6 x LC Quad adapters and working under both indoor and outdoor environments. It is a perfect cost-effective. A 6 core fiber optic terminal box is primarily partitioned into various categories, based on the operating system. Function, installation method, fiber type, and core count are some parameters that differentiate these terminal boxes. Terminal boxes for indoor use are smaller than those for outdoor. This Lockable IP65 distribution box is supplied loaded or unloaded and offers the ability to terminate 12 fibers housed in a strong robust ABS enclosure for indoor and outdoor applications.

□Adapter Type□The product is suitable for SC/FC/PLC adapters installed. The optical fiber connector distribution box can install 6 optical adapters or 1. Gcabling is a leading fiber box manufacturer & supplier. Features · Spiral-wrap reel to spool excess fiber · Compatible with all.
